Archives Week 2009

Memory BC

Celebrate Archives Week with the AABC!

Join us in welcoming Memory BC—the tool for archivists, researches and citizens of British Columbia and the world to access BC's archival holdings.

Thank you to our project partners

The AABC acknowledges the support of the MemoryBC pilot project partners: the Irving K. Barber Learning Centre (UBC), Library and Archives Canada, the Canadian Council of Archives, Simon Fraser University Archives, University of Victoria Archives, and Artefactual Systems.
