REVIEW ENGAGEMENT REPORT

To The Members of
Archives Association of British Columbia

We have reviewed the financial position of Archives Association of British Columbia as at March 31, 2010 and the statements of operations, changes in net assets and cash flows for the year then ended. Our review was made in accordance with Canadian generally accepted standards for review engagements and accordingly consisted primarily of enquiry, analytical procedures and discussions related to information supplied to us by management.

A review does not constitute an audit and consequently we do not express an audit opinion on these financial statements.

Based on our review, nothing has come to our attention that causes us to believe that these financial statements are not, in all material respects, in accordance with Canadian generally accepted accounting principles.

NOTES TO THE FINANCIAL STATEMENTS

Year Ended March 31, 2010

(Unaudited)

The Archives Association of British Columbia (the "AABC") was established through the amalgamation of the Association of British Columbia Archivists and the BC Archives Council and was incorporated on January 21, 1991 under the Canada Corporations Act as a not-for-profit organization and is a registered charity under the Income Tax Act. Its main objective is to preserve British Columbia's documentary heritage by providing programs designed to promote and strengthen the archival network within the province. The Archives Association of British Columbia is committed to the following goals:

- To provide educational opportunities for those engaged in all aspects of archival work in British Columbia.
- To coordinate projects and programs designed to promote and strengthen the archival network within the province.
- To function as an advocacy and lobby group on behalf of archives and archivists by preparing presentations for governmental agencies, as well as by promoting a better understanding of our field amongst the general public.
- To cooperate with all organizations engaged in heritage and information-management activities within the province.

On April 1, 2000, the organization received official charitable status.

The AABC offers the following main programs:

British Columbia Archival Education and Advisory Service

The BC Archival Education and Advisory Service offers advisory and education services for archives and archivists in B.C. The program is responsible for the management of the Community Archives Education Program, as well as for providing ongoing advisory services to archives in the province.

The AABC Community Archives Education Program is designed to provide fundamental-level education courses to individuals working with archival material. These courses are also of interest to individuals who are responsible for records management and providing reference service for their institution and the general public.

British Columbia Archival Preservation Service

The British Columbia Archival Preservation Service offers AABC member institutions access to a wide range of free conservation services. A professional conservator carries out site visits, surveys, and informal training, and provides a variety of ongoing advisory services (including a "conservation hotline"). Services are available only to institutions with a current AABC membership.

British Columbia Archival Network Service

The British Columbia Archival Network Service program is responsible for the development and maintenance of web resources created by the Archives Association of British Columbia, including the B.C. Archival Information Network (BCAIN) web site, the British Columbia Archival Union List (BCAUL), a Guide to Archival Repositories in British Columbia, and the AABC's "The Archivists's Toolkit".

ICA-AtoM/BCAUL Pilot Project

NOTES TO THE FINANCIAL STATEMENTS

Year Ended March 31, 2010

(Unaudited)

The ICA-AtOM / BCAUL Pilot Project undertaken in 2009/10 was an initiative to migrate the British Columbia's provincial archival union list (BCAUL) to ICA-AtOM software, an open source, web-based archival description software based on the International Council on Archives (ICA) standards.

In June 2009 the full BCAUL database was migrated to ICA-AtOM and made available online through the MemoryBC.ca domain, hosted by Artefactual Systems on behalf of the AABC. The new provincial database and portal, MemoryBC, was officially launched in November 2009 during Archives Week

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Fund Accounting

The Association follows the restricted fund method of accounting for contributions.

The General Fund accounts for the organization's program delivery and administrative activities. This fund reports unrestricted resources.

The Restricted Fund reports only restricted resources that are to be set aside as a minimum or safe reserve for the Association.

The Capital Asset Fund reports the assets, liabilities, revenues and expenses related to the Association's capital assets.

Cash and cash equivalents

The policy of the Association is to disclose bank balances, including bank overdrafts with balances that fluctuate frequently from being positive to overdrawn and term deposits that can be withdrawn when needed under cash and cash equivalents

Capital Assets and Amortization

Capital assets are recorded at cost. Amortization is provided on the declining balance basis over the assets' estimated useful lives at the following annual rates, except in the year of acquisition when one half of the rate is used.

Computer equipment	20%

(Unaudited)

Revenue Recognition

The Association receives grants from various sources as reflected in the statement of operations, and follows the deferral method of accounting for contributions.

Restricted contributions related to specific projects are recognized as revenue of the Project in the year in which the related expense are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted fund.

Unrestricted contributions are recognized as revenue of the General Fund in the year received or receivable if the amount to be recorded can be reasonably estimated and collection is reasonably assumed

Membership and seminar fees are recognized as revenue of the General Fund when services are rendered and seminars are held.

Allocation of Expenses

The Association adopted Section 4470, disclosure of allocated expenses by not-for-profit organizations according to a number of functions to which the expenses relate. The Association incurs a number of general and administrative support expenses that are common to the administration of the organization and each of its programs. All contract fees are directly expensed to the programs to which they relate, with the exception of finance and administration contract fees, which are allocated to the individual programs on a percentage agreed upon by the National Archival Development Program/Canadian Council of Archives. These expenses are disclosed under each program in the attached schedules.

Financial Instruments

The financial instruments of the Association consist of cash, term deposits, receivables, payables and accrued liabilities. Unless otherwise noted, it is management's opinion that the Association is not exposed to significant currency, interest, or credit risks arising from these financial instruments. The fair value of the instruments approximate their carrying values, unless otherwise noted.

Use of Estimates

The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Estimates are used for, but are not limited to, the accounting for amortization, accrued liabilities and contingencies. Actual results may differ from those estimates.

2. CAPITAL MANAGEMENT

The capital structure of the Association consists of net assets invested in capital assets and unrestricted net assets. The Association's objectives when managing capital are to continue as a going concern and to protect its ability to meet its ongoing obligations.
